Selection of Committee of Management

Members. The Committee of Management look after the day-to-day management of the Church properties and finances. The Committee is selected by nominations received from the congregation. If you think someone, or yourself would be an asset to the Committee please fill out one of the nominations forms available in the foyer and give it to Lina.

Do you often wonder how you can get involved in serving God at Church? Have a look at the back of this Bulletin. There you will see a list of different ministries and the contact details of their leaders. Prayerfully consider if you would see yourself serving in one of those ministries, and if so, give the leader a call.
